of the [National Academy of Sciences of Ukraine](#)*

**Dear colleagues!**

We would like to invite you to attend the scientific seminar dedicated to the  
**20<sup>th</sup> anniversary** of International Scientific Journal “[Semiconductor Physics,  
Quantum Electronics and Optoelectronics](#)” (SPQEO)

Date : **19 December, 2018**

The seminar's opening at **11<sup>00</sup> a.m.**

The seminar will take place at V. Lashkaryov Institute of Semiconductor Physics  
(41, Prospekt Nauki, Kyiv).

International scientific journal “Semiconductor Physics, Quantum Electronics and Optoelectronics” (SPQEO) was founded in 1998. The journal was, is and will be focused at up-to-date achievements in semiconductor physics, nano- and heterostructures, linear and nonlinear solid-state optics, quantum electronics, optoelectronics and sensorics.

Semiconductor Physics, Quantum Electronics & Optoelectronics has been selected for coverage in Clarivative Analytics products and services. Beginning with V.21 (1) 2018 SPQEO, this publication will be indexed and abstracted in: [Emerging Sources Citation Index](#).
